THE DESIGNER

It was during a trip to Miami that Caroline Najman, the creative artist, discovered her passion for gemstones. In 2008, she started her company and moved back to Paris, the fashion capital. Born from the desire to offer a large choice of jewelry following the lasted fashion trends, Caroline Najman brand is catering to the modern woman who loves to indulge in beautiful accessories.

The entire collection is designed by Caroline Najman and made in our Paris's atelier in the area of Le Marais, the trendy neighborhood.
